SUMMARY

Aspiring Data Analyst with a strong foundation in Mathematics and data analysis tools such as Excel, SQL, Python, and Power BI. Passionate about analyzing data, generating meaningful insights, and solving real-world problems. Seeking opportunities to apply analytical skills and grow in the field of data analytics.

PROFESSIONAL EXPERIENCE

Data Analyst Intern

07/2026 – 08/2026

Bee skilled

Remote

- Gained hands-on experience with **Excel, SQL, Python, and Power BI** through practical data analytics projects.
- Performed **data cleaning, analysis, visualization, and dashboard development** on real-world datasets.
- Applied analytical and problem-solving skills to **extract insights and support data-driven decisions**.

EDUCATION

Master's of Science (M.Sc) -Mathematics

2025 – Present

Chaudhary Charan Singh University

Bachelor's of Science (B.Sc)-PCM

2022 – 2025

Chaudhary Charan Singh University

70.30%

SKILLS

- Microsoft Excel
- Power BI
- Exploratory Data Analysis (EDA)
- Analytical & Problem-Solving Skills
- SQL
- Python
- Data Visualization
- Mathematical & Statistical analysis

CERTIFICATES

- Microsoft Excel with AI -Skill Course [🔗](#)
- Microsoft Power Bi - Skill Course [🔗](#)
- Data Analysis with Python - IBM
- SQL Course - Skill Course [🔗](#)
- AI Tools & Chatgpt Workshop - Be10x
- Basic Computer Course (BCC) - Chandan Computer Institute

PROJECTS

Fraud Transactions Analysis Project [🔗](#)

- Analyzed 555K+ financial transactions to identify patterns and factors associated with fraudulent activity.
- Performed data cleaning, exploratory data analysis (EDA), and visualization to uncover fraud trends and anomalies.
- Identified key transaction patterns and created visual insights to support fraud detection and risk analysis.

Financial Sales Analysis Project [🔗](#)

- Analyzed financial sales data to identify revenue trends, product performance, and regional sales patterns.
- Cleaned and transformed data and performed analysis to generate meaningful business insights.
- Created an interactive Power BI dashboard to track key sales and financial performance metrics.
