About Me

Aspiring Data Analyst with hands-on experience in Python, SQL, Power BI, and Excel. Skilled in data cleaning, visualization, dashboard development, and business insights generation through real-world analytics projects. Passionate about solving problems using data and continuously improving analytical skills.

Education

- **Master of Science (M.Sc.)** in Mathematics
Chaudhary Charan Singh University , Meerut
2025 – 2027
(Currently Pursuing)
- **Bachelor of Science (B.Sc.)** – PCM
Chaudhary Charan Singh University, Meerut
2022 – 2027

Skills

- Python
- SQL
- Power BI
- Microsoft Excel
- Data Analysis
- Data Visualization
- Dashboard Development
- Pandas
- Machine Learning Basics
- Git & GitHub

Projects

Fraud Transaction Analytics Project

- Analyzed 555K+ financial transactions using Python, SQL, and Power BI.
- Performed data cleaning, feature engineering, and exploratory data analysis.
- Built interactive Power BI dashboards for fraud monitoring and customer risk analysis.
- Implemented machine learning models including Logistic Regression and Random Forest.
- Identified fraud patterns, high-risk merchants, and customer transaction trends.
- Created business-focused insights using visual storytelling and dashboard reporting.

Certifications

- Basic Computer Course – Chandan Computer Institute
- Microsoft Excel with AI Masterclass – SkillCourse
- SQL Course – SkillCourse
- Microsoft Power BI – SkillCourse
- Data Analysis with Python – IBM
- AI Tools Workshop – be10x

Soft Skills

- Analytical Thinking
- Problem Solving
- Communication
- Attention to Detail
- Continuous Learning
- Time Management
